Tamara Toms, MPT Physical Therapist Director of Neurological Programs

A MESSAGE TO PHYSICIANS

- We provide outpatient PT in the home to Medicare beneficiaries-we're a Medicare Part B provider (not a HHA)
- For patients of any age, we provide health and wellness programs that are usually not covered by insurance
- Health and wellness programs target patients at risk for diabetes, heart disease, hypertension and osteoporosis

We appreciate your referrals!

NEW PATIENT INSTRUCTIONS

Please call Mobile Rehab at 626.768.1078 to schedule your initial evaluation. Patient registration forms are on our website www.MobileRehabPT.com (look for it in the *Welcome Patients* section). If you don't have Internet access, the physical therapist will bring a patient registration form to your initial evaluation appointment and help you complete it.
